

Consent to Use of Tax Return Information

(“we,” “us,” and “our”)

Printed name of tax preparer

Federal law requires this consent form be provided to you (“you” refers to each taxpayer, if more than one). Unless authorized by law, we cannot use, without your consent, your tax return information for purposes other than the preparation and filing of your tax return.

You are not required to complete this form. If we obtain your signature on this form by conditioning our services on your consent, your consent will not be valid. Your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year.

If you do not consent, then you may still have your tax return prepared and electronically filed by us for a fee.

For your convenience, we have entered into arrangements with third parties to provide qualifying taxpayers with the opportunity to have the proceeds of a bank product that you may apply for disbursed onto an E1 Visa[®] Prepaid Card. To determine if this product may be available to you, we will need to use your tax return information by analyzing it and calculating the amount of your anticipated refund.

If you would like us to use your tax return information to determine whether this product may be available to you while we are preparing your return, please sign and date this consent to the use of your tax return information.

By signing below, you (including each of you if there is more than one taxpayer) authorize us to use the information you provide to us during the preparation of your 2012 tax return to determine whether to present you with the opportunity to have your bank product proceeds disbursed on an E1 Visa Prepaid Card. For more information regarding the E1 Visa Prepaid card, refer to the card application and to the terms and conditions.
