

Drake Accounting 2019 Developer Preview

Course Description: A developer-led course designed to train users on newly added features and improvements to Drake Accounting.

Upon completion of this course, participants will be able to:

- Set up and report multi-state payroll.
- Understand the changes for SUTA reporting.
- Produce graphical & drill-down reports.
- Set up newly required user security.
- Create custom journals.
- Utilize journal data entry improvements.
- Set up withholding for 1099 vendors in Payables.
- Navigate the redesigned Receivables screens.
- Understand changes to the e-Filing process.

NOTE: While labs will be included, they will be based on new features of the Drake Accounting 2019 product scheduled to be released in December, 2018. As such, they will be "take home material" – not in-course lab work.

Course Fee: \$399

How to Register: Log in to Support.DrakeSoftware.com and select **Training > Live Training** from the menu on the left side of the web page. Refer to the FAQs on the web page for detailed instructions and frequently asked questions.
